## Instant Pot LUX Benefits

Instant Pot IP-LUX is a 6-in-1 programmable electric pressure cooker combining the functions of a pressure cooker, saute/browning, slow cooker, rice cooker, steamer and warmer. The Instant Pox LUX model comes with many

benefits including *time, cash, kitchen space, nutritious healthy meal*. It is a handy kitchen appliance to have and to make your life easier. Compare with [Instant Pot Smart Cooker](#).

**Time** – It has the ability to speed up cooking by 2 to 6 times using up to 70% less energy, and, above all, produces nutritious healthy food in a convenient and consistent fashion. Not only that, you actually don't have to spend time checking the cooking progress now and again as is the normal with traditional way of cooking. You can simply use one of the useful features it comes with to save time. Whether you want to cook rice, beef, chicken, porridge, etc just press a button and come back when the food is ready.

**Cash** – With the Instant Pot LUX, you also save on cash. First and foremost you will save from having to buy 6 different kitchen appliances. You will replace a pressure cooker, sauté/browning appliance, slow cooker, rice cooker, steamer and warmer with just one appliance. Secondly this electric pressure cooker saves up to 70% energy. That translates to less electricity bill at the end of the month.

**Kitchen Space** – As this is a 6-in-1 kitchen appliance, it simple means you need storing space in your kitchen for one appliance instead of 6. This will free cupboard or storage space in the kitchen to store other kitchen items.

**Nutritious Healthy Meal** – By nature of a pressure cooker the Instant Pot LUX Programmable Electric Pressure Cooker locks in nutrients in the food being prepared to preserve the nutrition and flavors in natural ingredients in the food. This results in a healthy nutritious meal. The food is always cooked perfect every time because the pot comes with the latest 3rd Generation technology with an embedded microprocessor that greatly improve cooking results. Your favorite dishes are within the reach of pressing a button with 10 built-in programs in 3 adjustable modes. You may use [Instant Pot Sous Vide Cooker](#) to improve your meals.

In addition it comes with 3 temperatures in Saute for browning or thickening, and 3 temperatures in Slow Cook to complete the tasks of a common slow cooker. You can cook almost anything including porridge. It works as a perfect porridge maker allowing you wake up with a fresh made porridge.

## Where To Buy Instant Pot LUX

The Instant Pot LUX Programmable Electric Pressure Cooker can be purchased online from famous online stores like Walmart, Amazon, [official Instant Pot website instantpot.com](http://instantpot.com).

What is important to do when you are ready to buy the [Instant Pot 6 in 1](#) is to have a general understanding of the product, as this article gives you. Next you should visit the merchant like Amazon.com. However be warned because this product flies fast off the 'shelves', so you better hurry to purchase one if you are convinced that you like it.

There has several instances of the electric pressure cooker when it was out of stock and customers had to wait for as long as 2 months. This can stretch shipping time and cause some frustration. Can you imagine waiting for your favorite toy and is not coming?

## Instant Pot LUX Shipping Time

The Instant Pot LUX ships from and sold by Amazon.com in an easy-to-open packaging. A Gift-wrap is also available, should you be buying for someone. Since the price tag range allows it to attract FREE shipping from Amazon. Depending on availability of stock the shipping time can take anything from 2 days. Note: Its packaging will indicate what is inside so if you want to cover it, at purchase select *Ship in Amazon box* on the checkout page.

## Instant Pot LUX Warranty

Instant Pot Company (the “IPC”) warrants this appliance to be free from defects in workmanship and material, under normal residential use, for a period of one (1) year from the date of purchase. This means should the pressure cooker have workmanship defects or otherwise it is illegible for return. However it is better to read this warranty policy in full at the official site [here](http://instantpot.com/support/warranty-information/) – <http://instantpot.com/support/warranty-information/>

When you buy the Instant Pot LUX from Amazon, you can enjoy additional warranty coverage. Amazon offers 3-Year Appliance Protection Plan and 4-Year Appliance Protection Plan. Visit Amazon.com to read more about these warranty options.

## Instant Pot LUX Reviews

Instant Pot LUX Reviews will give an insight into what you are purchasing. Amazon.com features over 4K customer reviews both positive and negative. Here are some of the reviews;

***oh Instant Pot, how did I ever live without you?*** – *I’m just saying, this is hands down the best kitchen appliance I’ve ever purchased. Great for busy families. Easy, intuitive and tons of great recipes online.*

***Awesome product!*** – *This is an AWESOME product. There is a reason why so many people say this item is “life changing”. It is true.*

*One specific feature I like. I sometimes can get distracted and food will burn. Instant Pot allows to keep food in the good shape without burning it.*

Some people have reviewed the pot to have broken in 2 months and scored it 1 or 2 stars. Some have reported bad service. However those are individual experiences that may not necessarily cross the board. See [Instant Pot accessories](#).
